Food and clothing are the basic necessities for a human being. Not everyone is as blessed as other people when it comes to having a family. These small children are equal but are treated differently by the society. They have to literally struggle for equality. A team of volunteer students and faculty coordinator visited the orphanage carrying stocks of Food, clothes, stationary items, toys etc. donated by the faculty members and other students of the college. The club also conducted an in-house volunteering activity wherein the students made best out of waste products to be donated in the orphanage. Good number of participation demonstrated sensitivity of our students and staff towards these children.

The club conducted Diwali card making competition and just a minute activities at the orphanage. The children participated whole heartedly in the activities like singing, dancing, acting etc..
