- **Date:** October 24, 2017
- **Time:** 10:00 AM to 11:00 AM
- **Venue:** Modi Flour Mills, Okhla Industrial Estate, Phase - III, New Delhi, Delhi 110020
- **Motivation for the activity:** Industrial visits bridge the gap between theoretical training and practical learning in a real life environment and helps in enhancing interpersonal of students. They also broaden the outlook of the students with exposure to different workforces from different industries.
- **Organized by:** Placement Department, RDIAS

## **FORM B**

### **Part 1**

#### **Aim of the event:**

With an aim to go beyond academics, industrial visits are arranged for students to provide an insight into the real working environment of the industry and make them aware of industry practices and regulations. It provides an opportunity to plan organize and engage in active learning experiences both inside and outside the classroom. Industry visits sensitize students to the practical challenges that organizations face in the business world. It also gives clarity about various management concepts to students as they can practically see how these concepts are put into action. It helps them to better identify their prospective areas of work in the overall organizational function. It lets students to know things practically through interaction, working methods and employment practices

### **Part 2**

#### **Abstract:**

The Industrial Visit to Modi Flour Mills was conducted for the First semester students of BBA, and it was a learning and knowledge enhancing experience. Modi Flour Mills Private Limited is a Private incorporated on 12 September 2008. It is classified as Non-govt. Company and is registered at Registrar of Companies, Delhi. Modi Mills began its journey in on 12 September 2008. It is classified as Non-govt. Company and is registered at Registrar of Companies, Delhi. Its authorized share capital is Rs.20,000,000 and its paid up capital is Rs.8,100,000. It is involved in Manufacture of grain mill products, starches and starch products, and prepared animal feeds. Directors of Modi Flour Mills Private Limited are Umesh Singh and Suresh Kumar Modi.

It is involved in Manufacture of grain mill products, starches and starch products, and prepared animal feeds Modi Flour Mills Private Limited's Annual General Meeting (AGM) was last held on 30 September 2016 and as per records from Ministry of Corporate Affairs (MCA), its balance sheet was last filed on 31 March 2016. Directors of Modi Flour Mills Private Limited are Umesh Singh and Suresh Kumar Modi.

We reached there at 10 am. The tour was initiated by a welcome by their Representative, Mr. Anil, Supervisor, where he had covered almost all about Modi mills. After that they moved to the plant area. The supervisor was deeply knowledgeable and make the students understood almost everything about the process of converting wheat into their products (Wheat, Maida, Sooji, Rawa).

After the session the students were taken to the Assembly Line and briefed about the Processes and Operations undertaken by the plant. The curiosity of the students was finally satisfied when a question answer session was conducted by Mr. Anil. The students were provided with deep insights about the working of the Plant and each and every question was patiently answered by her. The visit was finally concluded around 11am. The industrial visit to Modi Mills was an enriching experience for students in getting live exposure of manufacturing which can help them in their internships and further career enhancements.

### **Part 3**

#### **Conclusion**

The visit to Modi Flour Mills was a learning experience for the students and this reflected very well in the queries they raised post the visit. It was visible that they had already started recognizing the connection between what they are learning in classrooms and what they observed in actual work atmosphere. Thus, it helped to maximize the learning opportunities achieved from an industrial visit which will contribute to its best in the professional growth of the students.

Glimpse of Visit

Wheat Refining Machine!!

The Maida maker at Modi flour mill!!

The students inspecting the refining machines closely!!
