Summary

Research & Development Board conducted its first DRC to review the progress and facilitate expert guidance to faculty members pursuing their doctoral work. Pursuing this degree is challenging and daunting task with many hurdles at every step. Such committee exercises motivate the scholars and provide needed guidance to expedite their work. PhD Pursuing Faculty presented their PhD progress report as per their scheduled time to their area experts for 15 mins each and also discussed their doubts, queries and sought guidelines for moving ahead in their PhD work. In order to support faculty members in their research work for PhD, it was a unique initiative, as mentioned by experts.

Associate Professor, H. K. Daangi, Delhi University guided faculty pursuing PhD With HR specialization, Prof. Sanjiv Mittal, GGSIP University, guided faculty with marketing specialization, Prof. C.P. Gupta, Delhi University, guided faculty with finance specialization and Prof. O.P. Verma, Principal, G,B, Pant Engineering college, mentored faculty with IT specialization. Faculty members got valuable insights to go one step ahead in the progress of their doctoral work.
