

## Web Report on Auditions for Play on "Every Drop Counts – Save Water"

<b>Title</b>	Every Drop Counts – Save Water
<b>Date</b>	January 27 , 2018
<b>Resource Person/ Facilitator</b>	Dramatics Society
<b>Summary</b>	<p>A Drop of water is more than a sack of gold to a thirsty man. Water issues affect us all, from the women who spend hours daily fetching water to political battles over international rivers to melting icepack and rising sea levels.</p> <p>An awareness regarding this issue was shared through a performance by students of RDIAS for creating awareness amongst students regarding water conservation and protection of water resources to ensure the responsible utilization of water for a sustainable future. Students performed a play on ‘Jal Sanrakshan’ to sensitize and make masses aware about dos &amp; don’ts of water conservation. Around 13 students participated in the activity and presented a 5-6 minute act on the theme “Every Drop Counts – Save Water”. The students were judged on the basis of poise, originality, use of space, dramatic techniques, delivery and expressive aspects. Best performances given during the activity were also awarded with certificates.</p> <p>Winners of the activity were:</p> <p>I Position: Team II: Anukriti, Shubham Pareek, Khushboo and Mahima (BBA)</p> <p>II Position: Team III: Yash Chauhan, Vaishali, Manjot and Prachi (BBA)</p> <p>III Position: Team I: Srishti, Tanya Gupta, Piyush Walia and Arushi Sehgal (BBA)</p>
