

## Web Report on Eco Friendly Holi Celebrations

<b>Title</b>	Social, Cultural & Heritage Club Activity - Holi celebration
<b>Date</b>	March 1, 2018
<b>Resource Person/Facilitator</b>	Social & Heritage Club
<b>Summary</b>	<p style="text-align: center;">“Nature Always wears the Colors of the Spirit” Ralph Waldo Emerson</p> <p>Holi, known as the ‘festival of colors’ is celebrated on the full moon day falling in the month of Phalguna (Feb-Mar). Various colors and water are thrown on each other, amidst loud music, drums etc., to celebrate the spirit of Holi. Like many other festivals in India, Holi also signifies a victory of good over evil. As per ancient mythology, there is a legend of King Hiranyakashipu with whom the festival of Holi is associated. It gives an opportunity to forget all differences and indulge in unadulterated fun with the colors of unity and brotherhood.</p> <p>The festival of Holi was celebrated with simplicity and grace at the Institute. Holi is also a festival of love which is aimed at spreading the message of peace and happiness. The enthusiasm of the event was triggered with some Sher-o- Shayari by Dr. Imran Khan and Mr. Sunil Kumar Yadav. After the same, beautiful greetings were exchanged in the form of colorful cards prepared by student volunteers of the club. The greetings were a token of love to all and also spread the message of eco-friendly through the creative quotes. It was followed by</p>

	<p>showering flower petals and smearing chandan on the faces of colleagues. Thereafter, everyone relished the flavors of delicious snacks and Gujia the traditional sweet dedicated to this festival. This event was celebrated with fun, fervor and togetherness by the employees of the institute.</p>
