

Web Report on “Incubator Visit to ACIIE, Ambedkar University”

Title	Incubator Visit to ACIIE, Ambedkar University
Date	October 6, 2017
Resource Person	Dr. M. S. Farooqui, Executive Director, ACIIE, Ambedkar University & CIIE, RDIAS.
Summary	<p>The ACIIE is set up to facilitate translation of theoretical learning across inter-disciplinary areas into real-time practice anchored around innovation, creativity and entrepreneurship. Budding student entrepreneurs who have their plans drafted but need direction and support can make use of such Incubators.</p> <p>Students of BBA , MBA and MCA were taken for the Incubator visit with the objective of -</p> <ul style="list-style-type: none"> - Incubating innovative ideas and help them evolve into executable business ventures - Get directions for support for pilot and start-up phase of enterprise development - Get directions for technical and psychological support through mentoring and assistance in arrangement of financial resources. <p>Around 19 aspiring student entrepreneurs visited and presented their ideas to the experts, Dr. Farooqui and Dr. Surjit Sarkar. Students also got a glimpse of projects where the current Incubates are working upon like ‘Sanjhi Tokri’ on farm to table concept, E-waste management etc. The interaction with experts invoked learning and also opened new avenues for our students for their dream projects.</p>
