Not everyone is as privileged as other people. Sometimes it takes only one act of kindness and caring to change a person’s life. Keeping this in view, the volunteers from the institute visited Kilkari Rainbow Homes- an all-girls orphanage at Kashmere Gate, Delhi. The aim of the visit was to spend a day with the kids and bring a smile on their faces.</p> <p>The faculty members and student volunteers contributed generously for the visit. Many clothes, stationery items, toys, food items etc were donated by the faculty members and student volunteers. The club also conducted an in-house volunteering activity wherein best out of waste products were made to be donated to the orphanage. 4 student volunteers along with faculty coordinator actively participated in this event and spent the day with the kids. The team also conducted Diwali card making competition in the orphanage along with Diya decoration and just a minute activities like singing, dancing, acting etc.</p> <p>The visit not only helped in bringing the joy to the children but it also made this day worth living for the faculty coordinator and student volunteers.</p>
