Title	Power Seminar – “Nurturing Graduates on Industry Readiness”
Date	March 24, 2018
Resource Person/Facilitator	RDIAS in collaboration with ICT Academy
Summary	<p>RDIAS organized Power Seminar on “Nurturing Graduates on Industry Readiness” for the students of BBA and MBA on March 24, 2018. Being management students, it is essential to nurture skills that will help students fit into job roles that are available. The case-study mode is on the wane, with industry interaction and live projects being the norm of the day. As more recruiters look for job-ready candidates, education institutes are fast-adopting courses and curriculum that meet industry needs. Seminars like such not only make students understand how the industry works but also help the institute to train students for their needs.</p> <p>The Event Started with an inaugural ceremony where all the speakers were welcomed with a bouquet and token of memento by the student coordinators. There were 4 speakers from the Industry:</p> <ol style="list-style-type: none"> 1. Naresh Priyadarshi, CEO, SSCBS Innovation and Incubation Foundation 2. Vinay Nahata, CEO and Founder, Core Tech Solutions 3. Swati Thomas, CEO, Aemidio 4. B. Raghavan Srinivasan, Regional Manager, ICT Academy <p>All the speakers shared their insights and discussed the various skill sets expected by the industry. Their main aim was to promote entrepreneurship among students and to elevate the readiness for students for entering the corporate world.</p> <p>This seminar provided an ideal platform for assimilation and dissemination of best practices and to share views and experiences in how to face interview and to make industry readiness.</p>
