

Session on “Holistic Secret of Life Skill for Beyond the Success and Growth in Life”

Title	Session on “Holistic Secret of Life Skill for Beyond the Success and Growth in Life”
Date	November 03, 2017
Resource Person/Facilitator	Mr. Deepaq Sharrma, CHRO and Founder, Life skills Gurukul
Summary	<p>From basic needs for day to day activities to very important decisions, life confronts us with many moments when we realize we may lack some vital skills. Addressing such practical gaps is very important for thought leaders of tomorrow to learn to become empowered youth so that they can be able to work towards their personal aspirations. Seeding students towards life spawn reality is important and it can be done by changing their mindset.</p> <p>Mr. Sharrma shared with the students his life experiences and knowledge of working in corporate culture. Beginning from his first Job at Corning Inc in 1990's in United States of America, where he was assigned the job for Daily Attendance of workers in work station. Then serving the organization in Phuket Thailand. He had seen many hardships during that time but due to his knowledge and never giving up attitude, he was able to save Billions of Dollar by setting up waste managing system and latterly he has been promoted from the executive level to Division Resource Manager. This example boosted confidence in the students for their better future. Sir also explained the relationship of Mind, Body and Soul. He stressed on the importance of inner consciousness while accomplishing any task and never ever to give up by quoting example of Lion. He also illustrated the table for managing day to day task, incorporating things of utmost importance and care. The session ended with the question and answer round which was</p>

	<p>interactive and informative.</p>
