

Web Report on “Industrial Visit to National Dairy Research Institute”

Title	Industrial Visit to National Dairy Research Institute, G T Road Karnal, for the students of MBA
Date	August 11, 2017
Resource Person/Facilitator	Dr. B. S. Meena
Summary	<p>An Industrial visit to National Dairy Research Institute, a Deemed University, Karnal was organized for the students of MBA I Semester. Around 50 students accompanied with 2 faculty members visited the institute to learn different areas of dairy production and understand its processing with new technologies in place.</p> <p>Students were received by officials of the institute and escorted to Experimental unit where Mr. Gajendra Singh, Laboratory Assistant, oriented the students about processing of various milk products like clarified butter, cheese, milk Cake, and milk Powder using advanced techniques and modern machineries. Next, students visited Cattle Yard where safety and hygienic standards during milking process was witnessed. Towards the end, students were shown a short clipping of 20 minutes about achievements and R&D initiatives of the institute.</p> <p>Students also visited the institute’s milk parlor and purchased different products from there. This visit was a knowledgeable experience for the students and they explored various options of entrepreneurship ventures in the dairy industry during discussions.</p>
