Website Report on Industrial Visit to “HONDA Cars India Pvt. Ltd., Greater Noida”

Title	Industrial Visit to “HONDA Cars India Pvt. Ltd., Greater Noida”
Date	February 13, 2018
Resource Person/Facilitator	Mr. Mohit Sharma, Head Logistic Control Dept., Honda Cars Pvt. Ltd, Greater Noida
Summary	<p>With an aim to go beyond academics, industrial visit provides student a practical perspective on the world of work. Following the same lines, an Industry visit to Honda Cars Pvt Ltd, Greater Noida was organized On February13, 2018 for students of MBA-II (Morning) Section B.</p> <p>The vigor and enthusiasm to see the manufacturing facility of Honda pulled the group of 45 students and two faculty members. Students were first taken to the workshop of the company along with the members of HR department, where they briefed out the different stages used in making of a car which included welding, painting, assembly frame, engine assembly, vehicle quality, etc. They also explained the complete layout of their workshop. The process of making of Honda cars is totally automated and is internationally designed. Students asked many questions from the manager based on different manufacturing processes, plant layout, etc and were answered by them very patiently. In the end HR manager gave the company presentation and answered student queries. It was a lively and interactive session which the students thoroughly enjoyed. Visit to the Honda CIL plant was overall a great learning experience for students. The production of all the cars takes place on a single line</p>
