The Team Building Activity was planned with the theme of "WIN OVER WORLD (WOW)". The motive of this activity was to inculcate team spirit amongst them and expand the horizon of creativity beyond the mind of students.

"WOW" was a team based activity in which students were assigned with three different games in which they had to show their efforts to work in a team along with creative results.

"WOW" was the team based activity of team size 02. The students were assigned with three different games named: Newspaper tower, Blind drawing game and Trust course game, in which they had to show their efforts to work in a team along with creative results.
