### **Part 1**

#### **Aim of the event :**

*"We make a living by what we get. We make a life by what we give"*

**Winston Churchill**

Prayatna, Social & Heritage Club of Rukmini Devi Institute Of Advanced Studies organized a visit to Government Girls Sr. Sec. School, Begumpur and slum area near J.J. Colony, 24-Sector, Rohini on 25th October 2018.

### **Part 2**

#### **Abstract :**

The event was an initiative to spread awareness about the importance of hygiene among the less fortunate. The event started with a small skit by Dramatics Society of RDIAS, Pratigya followed by an interactive session on the importance of hygiene and ways to adopt a hygienic lifestyle. This gave the volunteers a platform of discussion with the children about cleanliness and sanitation and encourage children to presents their views about the same. The commitment of the volunteers and the enthusiasm of children made the event even more stupendous. Some questions pertaining to health and hygiene were asked by the volunteers. All the participants were presented with sanitizers as well as snacks

A drawing competition was also organized for the students of Government Girls Sr. Sec. School. The theme of the competition was "Green Diwali Sparkling Diwali." The following theme was selected in order to inculcate the values like importance of environment and celebrating a cracker-free diwali through a creative contest. The winners were rewarded by the Vice Principal and the teachers accompanying the visit.

The volunteers further went to the slum area in nearby vicinity and enjoyed an enlightening performance by the dramatics society after which the volunteers engaged them in a chit-chat session circled around the same theme. The children were given hygiene kits along with food and study items.

### **Part 3**

#### **Conclusion**

The event as well as the day successfully came to an end, harmonizing all the efforts and bringing a realization of the importance of various resources offered to us. The overall experience proved not only educative for the children but also for the volunteers. The knowledge, confidence and the enthusiasm of the children was astonishing. The session surely proved that India beholds bundled of intellectual and talented daughters and sons. All we need is to mould them in right style and results may take us to new heights.
