### Summary

'We are not developing nations, we are not developed nations, we are the United Nations.µ

In order to simulate, enhance and reciprocate co-operation diplomacy and refine skill sets of young delegates to take on global challenges, INTER MUN has been organised by Rukmini Devi Institute Of Advanced Studies for the first time ever in the history.

51 external Delegates from various Institutes came to participate in the conference. It was a three day event consisting of two different committees i.e. European Union and Lok Sabha.

The Lok Sabha conference was led by Mr. Ankit Goel, speaker of executive board and Mr. Priyanshu Tripath deputy speaker who were phenomenal in running this particular colloquium.

The conference simulated the Lok Sabha committee. The whole committee was divided into two sections i.e. Ruling party and opposition party. Students were given the portfolios of ministers and leaders from their respective party and were asked to role play their given portfolios.

On the other hand, European Union committee was led by Mr. Aniket Basu, chairperson and Mr. Rishabh, deputy chairperson. It is a unique economic and political union between 28 European countries that together cover much of the continent. Agenda of the committee was Future of digital economy and society.

The whole conference was hosted and organised by the students of RDIAS led by Mr. Akarsh Srivastava (Secretary General), Ms. Areeba Eram (Deputy Secretary General), Mr. Sanchit Arora (Deputy General), Ms. Kashish (marketing head), Mr. Prashant Dangi ( Digital head), Mr. Azhar Khan (delegate affairs), Mr. Karandeep singh (logistic head) followed by other members of Organizing Committee. It was a student driven intercollege event which was made a success by the heartfelt efforts of the student body and their zeal to use their management skills to a practical use.

With the coming in of the digital era the society is undergoing a transformation and will have an impact on the society at large. The world is going through some of the most crucial phases of development in the technological back drop since we are moving to a Digital Economy. The purpose of introducing this event is to make students understand the parliamentary procedures and insights of parliament and also to develop awareness regarding various problems faced by our society and country and to come up with solutions. The event not only helps students in understanding the respective problems prevailing in world but also helps them in enhancing their debating skills. All over it was a great learning event for all of us.
