### Summary

Placement is a vital interface during the course of culmination of the academic program of the students and their entry into a suitable employment. Besides providing best education, the institute organizes industry visits, additional skill acquisition programmes suiting the industry needs, conducts Mock Interviews, Group Discussions and Seminars etc. to make them suitable for gainful employment.

Further, the institute endeavours to provide the students the best placement opportunities by organizing Career cum Internship Fair. It is an annual event hosted by the institute to provide the students a platform to explore their skills and aspirations in their professional domain. This year, the event witnessed a footfall of 90 unplaced students of BBA and MBA in the Career Fair and almost 400 students in the Internship Fair. In all 35 companies participated in the event.

The event commenced with the Registration process wherein the list of companies along with their job profile and qualitative requirements were displayed near the registration desk. All these details were also available on e- link for enabling the students to identify their choice of company.

Simultaneously, a session was organized for students by Investors Clinic. Afterwards, the delegates were felicitated with floral welcome, who started their resilient recruitment process. The process of recruitment adopted by some of the companies was different from the convention, while majority of companies followed the conventional process of written test, Group Discussion, Personal Interviews etc.
