Summary

The HR Club has always been tried to get some out of the box activities for its students where they can show their most creative level. The Team Building Activity was planned with the theme of WIN OVER WORLD (WOW). The motive of this activity was to inculcate team spirit amongst them and expand the horizon of creativity beyond the mind of students.

WOW was a team based activity in which students were assigned with three different games in which they had to show their efforts to work in a team along with creative results.

WOW was the team based activity of team size 02. The students were assigned with three different games named: Newspaper tower, Blind drawing game and Trust course game, in which they had to show their efforts to work in a team along with creative results.

Dr. Sunil Kumar, Assistant Professor, RDIAS judged the event on the parameters of Creativity, Involvement of each member and Overall Presentation. Students tried to connect to the theme of the competition through their performance in games played in team. Students showed their creativity and thinking skills in first round, communication skills in second round, mutual understanding, trust, and faith in third round. The event moved towards its end with the words our Honorable Judge Dr. Sunil Kumar and price distribution. It was a visual delight to see the joy on the faces of the winners. The hard work and efforts they putted in their team work showed them the way to win the competition.
