

### WEB REPORT ON "Classroom Lecture"

<b>TITLE</b>	Submission of Web Report for Classroom Lecture by Mr. Param Puneet Singh on 23rd August
<b>Resource Person/ Facilitator</b>	Mr. Param Puneet Singh
<b>Date</b>	August 23, 2018
<b>Summary</b>	<p>Classroom Lectures enlighten the students by giving them a glimpse of the practical aspects of industry. leading managers from Industry are invited to share their views, experiences and knowledge with the students to prepare them for a better tomorrow. Mr. Param Puneet Singh - Senior Manager, Accenture shared his valuable insights with the students on the subject of "Change Management - Managing Change Constructively" in Classroom lecture organised for MBA I Sem students on 23rd August, 2018.</p> <p>Sir started by discussing about the relevance of change in a VUCA business environment. He further emphasized on the fact that people are the essence of any kind of change in an organization. The process of change management was explained by him a series of diagrams, graphs and discussions. Both the aspects of delivering change as well as accepting it through the policy of "WIFU" was discussed. The session was an interactive and informative one and all queries of students were addressed to their satisfaction. In the end, Sir showed an interesting video on change management and also recommended a list of books for further reading.</p>
