Title	Submission of Dossier for "Industry Visit: Yakult Dannone (MBA)"
Resource Person/Facilitator	Ms. Jyoti Bohra
Date	16/08/2019

Summary

The objective of the industrial visit was to familiarize the students with the production and processing aspects at Yakult Danone India (P) Limited. 22 students of MBA visited the plant situated in Sonapat, Haryana.

During the tour , students were taken for the visit inside the Processing Unit where different stages of processing namely mixing of raw ingredients, sterilization, fermentation, blending, injection moulding, scrambling, filling/sealing, shrinking and packaging, storage and their automatic control process were demonstrated. The visit was a fruitful experience for the students as they learned the processing stages and the latest technology in producing processed products. It also provided them an opportunity to familiarize themselves with the industry environment.

All the queries resulting in the minds of the students were resolved well by the guide. Students participated with great enthusiasm to make the visit interactive & gained maximum knowledge during the visit. The students were also given cookies and a bottle of Yakult. The session ended with a group photograph of all the students. Thus, the visit was very informative, knowledgeable, educational and enriching.
