<b>Title</b>	Submission of Dossier for "Plantation Drive"
<b>Resource Person/Facilitator</b>	Social & Heritage Club, PRAYATNA
<b>Date</b>	14/08/2019

### Summary

The importance of planting trees has been emphasized time and again. Trees offer environmental, social as well as economic benefits. This is the reason why the government and environmental specialists emphasize on the importance of planting more and more trees. The Social & Heritage Club, Prayatna, RDIAS, organized a tree plantation drive by planting saplings in the college premises on August 14, 2019 to mark the campaign One Student, One Tree run by AICTE. The students of BBA and MBA took part in the well-orchestrated campaign. The volunteers planted saplings at designated spots in the garden area in the college premises. The students were involved in nurturing a tree for the preservation of environment and were happy to do their bit.
