Summary

An entrepreneur is a person who is motivated to satisfy a high need for achievement in innovative and creative activities.

CIIE, RDIAS organized its first edition of Entrepreneurship Summit for the session 2019-20 on August 20,2019 with the objective of bringing together the entrepreneurial passions on a common platform.

It acts as a networking base for corporates, working professionals, upcoming entrepreneurs and students . The session started with inspirational speech given by the first Speaker - Mr. Prateek Pahwa , VP ,Nivesh Global. He shared his experience and motivated students that inspite of facing many failures in life he never gave up and became successful. The next speaker was Mr. Rishi Mehra , CEO Wishfin, put light on the challenges for becoming an entrepreneur specifically in technology sector. In small age when he lost his family he struggled to become something better than others or different than league. Our last Speaker Ms. Wahida , Co founder ,K99 , shared her experience on challenges faced by a women in becoming a successful entrepreneur and what are the challenges she faced being a woman to make her own identity.

Further, the session was followed by question answer round where students discussed their queries with the inspiring entrepreneurs of the day. .

Overall the session was a great learning experience for the students, as they gained immense knowledge and insights about the basics related to Entrepreneurship .
