### Summary

Joy of Giving Month was a month long activity focussing on bringing together people from all walks of life to realise , think and help the club in giving back to the underprivileged in the society. To share the happiness and joy by helping others to better their lives, Social and Heritage Club organized a Joy of Giving Month.

Apart from the fundraising, the volunteers also raised cash and kind from their near and dear ones. The items collected were notebooks, reading books, stationery items, napkins, soaps , biscuits , juices, etc. Faculty and staff members also contributed generously for bringing a small difference in the life of under privileged in the society.

True joy lies in the act of giving without an expectation of receiving something in return. Daan Utsav provided a platform where everyones little contribution made a significant effect and brought smiles on the faces of others.
