

Industry Visit to Modi Flour Mills

TITLE	Industry Visit to Modi Flour Mills
Date	Oct 04, 2019 - Oct 04, 2019
Summary	<p>RDIAS organized an Industrial visit for the students of BBA -I to Modi Flour Mill Private Limited, Okhla. The purpose was to make the students aware about the practical aspect of working of a firm in an industry. The firm is involved in manufacturing of grain mill products, starches and starch products, and prepared animal feeds.</p> <p>Students were organized in two batches while visiting the mill. The facilitator showed around the students and informed them about the functioning of the plants. Students were instructed in advance regarding maintaining distance. The visit started from the storage area where grains from all over India are brought and stored securely from termites and water. From there, the facilitator took the students to the cleaning area wherein the grains are cleaned at 3 different levels. The students were also shown various types of flours for different food items.</p> <p>Students were keen and enthusiastic for the visit. The intrigue of the students was met from time to time by the concerned facilitator who answered all the queries of students which further enhanced their learning regarding practical functioning.</p>
