Industry Visit at Modi Flour Mills for MBA students

TITLE	Industry Visit at Modi Flour Mills for MBA students
Date	Jan 29, 2020 - Jan 29, 2020
Summary	<p>RDIAS organized an Industrial visit to Modi Flour Mill Pvt Ltd, Okhla for the students of MBA IV with a view to give the students an exposure and insight of how the wheat flour and other products are commercially manufactured from the whole wheat.</p> <p>A total of 17 students were part of the visit. The Modi Management deputed Mr Sudeshwar Dubey, Plant Supervisor, for the conduct of the visit. It was explained that the whole wheat indented from the states of Rajasthan, Haryana, Punjab & Delhi, stocked in the godowns of the mill. The wheat is transported through conveyers to the separator which segregates the waste material from the wheat. This further goes to cleaning through automated machines, which further goes for washing, gradings through grade separator to grinding and packing. The entire process is automated. The students took keen interest in the visit. They asked questions about the procurement process of the wheat, about how and what quantity of the product being manufactured on daily basis, to which the facilitator apprised that the management gives a day to day basis production requirement and the automated machines are aligned accordingly. Overall, the visit was fruitful and full of learning.</p>
