

Case Study Presentation : Change Management during Covid -19 lockdown

TITLE	Case Study Presentation : Change Management during Covid -19 lockdown
Date	Apr 28, 2020 - Apr 28, 2020
Summary	<p>The HR Club provides the platform for enabling students to understand the concepts and theories of HR in order to prepare for a dynamic world. Case Study Presentation on Change Management was planned for the students of BBA and MBA to make them analyze the working challenges during Covid -19 lockdown in different industries. The purpose of this exercise was to stimulate the students and let them analyze the challenges and solution with reference to the employees and customers of different companies during Covid -19 lockdown as observed and interpreted by them in the form of case study presentation. It was a team based activity with the team size of 2 members. The teams gave their presentation through Google meet.</p> <p>Participants have to present the analysis in the form of info graphics. Evaluation was done on the basis of Sequential Steps, Content Clarity, Presentation Aids and Connection with change management.</p> <p>Participants selected Guru Gobind Singh Indraprastha University and India First Life Insurance for their analysis. They discussed about the challenges faced by these organizations during online classes, assignment, assessment, events/activities, task and deal with client and how they deal with these problems to arrive at a solution. The event was judged by Dr. Neha Yadav, Associate Professor, RDIAS and Ms. Shuchi Dikshit, Assistant Professor, RDIAS.</p> <p>Winners of the event are as follows:</p> <p>First Position:</p> <ol style="list-style-type: none"> 1. Mansi Goel - BBA IV 2. Garima - BBA IV <p>Second Position:</p> <ol style="list-style-type: none"> 1. ESHA- MBA IV 2. Tanya Aggarwal - MBA IV
