

### Discussion Session

<b>TITLE</b>	Discussion Session
<b>Date</b>	May 16, 2020 - May 16, 2020
<b>Summary</b>	<p>Spread of Coronavirus is exponential. Moreover, insufficient medical supplies and absence of vaccine is adding to the problem the entire world is facing. Social distancing plays a vital role to safeguard oneself from this contagious disease. Students of MBA II, via a discussion session, expressed their views on this topic. This activity was undertaken in order to make the students understand the current scenario and to create an understanding of importance of social distancing. This activity was conducted online through Google Meet.</p> <p>There were total 8 participants. All the students presented enthusiastically. Each participant was given a chance to speak for 5-7 Minutes. The judge of the event, Mr. Deepak Chhabra gave his valuable feedback to each participant. Individualized feedback facilitated enhancement in communication skills and also contributed to content improvisation. Overall, the activity was fruitful.</p>
