Basics of Zotero and Mendeley- Literature Survey tool

TITLE	Basics of Zotero and Mendeley- Literature Survey tool
Date	Jun 12, 2020 - Jun 12, 2020
Summary	<p>The institute organized an E- workshop on Basics of Zotero & Mendeley, Literature Survey Tools via Google Meet platform. As researchers often face difficulties in creating references and citing published work, this workshop will help to use the software for their research projects starting from searching of a research article to its citation in the respective research project. There were more than 100 participants including faculty members, research scholars and students from different disciplines joined the workshop from different states and cities across India. The Resource persons, Dr. Anshu Tyagi, Associate Professor, RDIAS and Ms. Abha Gupta, Assistant Professor, RDIAS adopted different styles of pedagogy to enable the participants to understand the software in an easy manner. Simultaneous hands on session boosted the confidence and morale of the participants.</p> <p>The overall experience was good as all the participants expressed their gratitude for making the session interactive through live chat. Participants gained useful research insights from the workshop. Towards the end, all the participants were appreciated by speakers for their active participation in and were given certificates for attending the E- workshop.</p>
