E-Faculty Development Programme on Changing research landscape in Uncertainties

TITLE	E-Faculty Development Programme on Changing research landscape in Uncertainties
Date	May 25, 2020 - May 30, 2020
Summary	<p>The programme has highlight how research can be carried out during times of uncertainties. The focus of the research was to understand from the basics of research methodology to report writing and publication and how an open access software is useful to complete the research work. Furthermore, to understand the changing research landscape in the time of Uncertainties. A mix of pedagogical tools was demonstrated to the participants. All classes were taken through google meet where discussions, presentations and experiential exercises been done. Hands on experience was given on R-studio software. Participants were provided with the suitable research example in order to understand the analysis. All lectures were delivered through google meet. Link of the google meet was shared with all the participants and an invitation was sent before the start of the session. Total 121 participants have attended the E-FDP programme. There were two resource persons for this E-FDP. Session started with inaugural address by the Prof. R.K. Singh and ended with the Vaedictory session of Prof. Hanuman Prasad. The session held during May 25-30, 2020. The timing for the session was 2:00 to 4:00 pm but due to question answer session most of the time it lasted for 3.30 hours.</p>
