Summary

RDIAS in collaboration with IIF College of Commerce and Management Studies, organised a webinar on *Atmanirbhar Bharat Abhiyan: An Opportunity to change the Narrative from "Survival" to "Strength"* on June 19, 2020 at 03:00 pm - 04:30 pm through Google Meet Platform wherein several academicians shared their knowledge. Prof (Dr.) Saurabh Agarwal, Principal , IIF College of Commerce and Management Studies , affiliated to CCS University , Meerut and Dr. Urvashi Sharma , Associate Professor , Department of Commerce , Delhi School of Economics , University of Delhi , were the eminent speakers for the session who shared their insights about the government's new initiative to make the India self-reliant .

The day started with a brief introduction of the *Atmanirbhar Bharat Mission's* five pillars: Economy, Infrastructure, Technology Driven system, Vibrant Demography & Demand. The webinar emphasis on how to put Indian Economy from the phase of survival to strength in this economic and health crisis. It highlighted the need of the hour to leverage the time of crisis to make fundamental changes in the decision-making process to achieve the sustainable goals. The session helped participants gaining information about policy announcements and reforms made under the Economic package of INR 20 lakh crore. The session focused on *Vocal for Local* Mission of Indian government to support MSMEs and to make Indian economy self-reliant in the near future. The webinar successfully anatomized the new economic package and helped participants to understand their roles & responsibilities in achieving the New Mission of making India a "*Self-Reliant*" country.

The overall experience was good as participants expressed their gratitude for RDIAS for organizing such an informative and engaging session. Participants gained useful insights about *Atmanirbhar Bharat Abhiyan* through this webinar. At the end, all the participants from in and around Colleges were acknowledged with certificates for their active participation in the webinar
