

### Industry Visit - National Dairy Research Institute (BBA)

<b>TITLE</b>	Industry Visit - National Dairy Research Institute (BBA)
<b>Date</b>	Feb 20, 2019 - Feb 20, 2019
<b>Summary</b>	<p>An Industrial visit to National Dairy Research Institute, a Deemed University, Karnal was organized for the students of BBA II Semester. Around 36 students accompanied with 2 faculty members namely Ms. Swati Oberoi and Mr. Chandra Prakash visited the institute to learn different areas of dairy production and understand its processing with new technologies in place.</p> <p>Students were received by officials of the institute and escorted to Experimental unit where company official oriented the students about processing of various milk products like clarified butter, cheese, milk Cake, and milk Powder using advanced techniques and modern machineries. Afterwards, students visited Cattle Yard to know about various breeds available in NDRI where they witnessed that high standards of safety and hygienic are being followed while processing the milk. During the visit the students learnt the processing and packaging of various dairy products like cheese, butter, khoya and condensed milk etc. Towards the end, students were shown a short clipping of 20 minutes about achievements and R&amp;D initiatives of the institute. At the end, Students visited the institute's milk parlor and purchased different products.</p> <p>This industrial visit was an enriching experience for the students in getting live exposure of how a dairy firm actually functions along with plethora of similar information. Overall, it was a great beyond the classroom learning experience for students .Students participated with enough zeal to make this visit pretty much interactive, meanwhile gaining decent knowledge about functioning of the Dairy institute. This visit was a knowledgeable experience for the students and they explored various options of entrepreneurship ventures in the dairy industry during discussions.</p>
