Part 1

Aim of the event :

MUN gives students the opportunity to be part of a simulation of what happens in the United Nations which helps in building confidence and public speaking skills among students since they have to voice their opinions and thoughts in a manner where they put forth the views in a diplomatic manner to maintain harmony and peace yet discuss issues which need attention and proper resolution to the conflict that had arisen.

Part 2

Abstract :

The Intra MUN had the committee of Youth Parliament or also called Lok Sabha being simulated. We had a opening ceremony to the RDIAS Intra MUN where the chief guest was our Director Sir Prof. Dr. Raman Garg who gave us motivation and inspiration for the event to be a unique learning experience for all the delegates from MBA and BBA.

We had our Executive Board consisting of Mr. Ankit Goel and Mr. Himanshu Sharma along with the guest speaker Mr. Mayank Singhal who gave students an insight on what is a MUN and why is this simulation done and how would the students benefit from this activity.

After the opening ceremony we recreated the setup of the Indian Parliament where the agenda for discussion was "The Review Of NDA Government." Mr. Ankit Goel took a special session to get the students attuned to the terms and the norms followed in the MUN where the Opening Speech, Point of Order, Point of Information and how is one supposed to raise a motion in the house was told to the Parliamentarians.

Following this the session started where the delegates were seen discussing issues like the Agriculture Policies, Socio Economic reforms and policies, Rafale Deal, Ram Mandir, Demonetization and GST among the hot topics for discussion .

There were heated arguments and discussions that took place in the house but saw resolution of conflicts with ease and mutual understanding.

In the end the session saw the No Confidence Motion being raised by the opposition and how the students playing the delegates or the members of the parliament had a voting session to close the debate on the various issues that were raised in the house. The Best Delegate of the event was honored to Mr. Jatin from MBA 1st Sem and the High Commendation was awarded to Ms. Sakshi Garg from BBA 3rd Sem. The Executive board also nominated five students as special mentions, who made valuable contributions to the debate.

Part 3

Conclusion

The Intra MUN saw participation of students with a lot of zest and enthusiasm. This helped in providing the students a platform where they could build on their communication skills and put forth their view on some of the important topics of societal interest.
