

Photo Walk Activity

TITLE	Photo Walk Activity
Date	Jan 31, 2019 - Jan 31, 2019
Summary	<p>Photography Club RDIAS (Nazariya) of RDIAS organized Photo walking Activity to Humayun Tomb, Mathura on 31st January 2019 only for the members of Nazariya club. Photo walking is an activity of camera enthusiasts who gather in a group to walk around with a camera for the main purpose of taking pictures of things that interests each photographer. Through this activity the students were able to experiment with Texture Photography, shapes and lines.</p> <p>The objective of the activity was:</p> <ul style="list-style-type: none"> • To encourage students to think and work creatively and promote artistic excellence. • To promote the art and craft of photography. • To help students in gaining knowledge that will further enhance their skills in photography. • To promote responsible photo journalism as an informative tool that can help them to understand subjects of social relevance, as well as a tool to show nationalism and Indian pride. • To allow people to see through photography what they don't usually see. <p>There were total 13 students from both MBA and BBA who participated in the activity with full zeal and enthusiasm. It was a day activity where the members of the club have to showcase their photography skills by covering all the areas near and in the Humayun Tomb and freezing them into their camera lens.</p> <p>Through this activity the students were be able to learn the skills of photography, to see the world in a different way and increased social interaction. This has also helped in enhancing communication skills between the club members. It was an amazing activity for the members of the club to explore, to practice photography, and to connect with the location.</p>
