Abstract :

Abstract

Women's rights are the fundamental human rights that were enshrined by the United Nations for every human being on the planet nearly 70 years ago. These rights include the right to live free from violence, slavery, and discrimination; to be educated; to own property; to vote; and to earn a fair and equal wage. Winning rights for women today is about more than giving opportunities to any individual woman or girl; it is also about changing how countries and communities work. It involves changing laws and policies, winning hearts and minds, and investing in strong women's organizations and movements.

To make the female students and professors know more about such rights, an interactive session, **'Know your rights'** was organized by the Women Cell, RDIAS in collaboration with **'Vivel and Josh Talks'**.

Ms.Devyani Verma, Campaign Manager-Josh talks was the resource person and she was accompanied by Mr.Aseem Joshi, Delegate from Josh Talks.

The talk started with a brief introduction about Josh talks by Ms.Devyani Verma. Josh talks workshop includes stories from various areas and these stories are showcased through eight vernacular languages covering Hindi, Marathi, Bengali, Tamil, Punjabi, Gujarati, Malayalam & Telugu.

Ms.Devyani Verma, made the audience aware about our fundamental rights and the where one can exercise these rights. Other areas touched by Madam included equality at Work and at Home which details the legal rights and framework for sexual harassment, POCSO (Protection of Children from Sexual Offences), Domestic Violence, Divorce, Alimony and Inheritance and Cyber safety which includes cyber stalking, bullying and how the law deals with it.

Madam liberated the students from their restraining thoughts and helped them understand how important is to know their rights and exercise them at the right time. The workshop also included some of the very famous case studies which became the basis of some of the recent laws.

The entire workshop just not included facts and case laws but also ignited a strong flame in the hearts of the students regarding what's happening around and how they can exercise their rights and fight against violation of such rights.

Free samples of Vivel products were distributed amongst the audience and the all of the faculty members.
