Job Fair is an excellent way to learn about jobs in different field of study or interest, meet employers and expand the professional network. Its an annual event hosted to provide a platform to students to explore their skills in professional field. This year, the event witnessed footfall of 57 unplaced students with participation of 16 companies for full time hiring. The event saw the presence of nearly 16 esteemed companies like American Express , Total Solutions, Beacon HR , Travel Binz ,etc to name a few. Three recruiting partners i.e. Career Marshall , Konnecting Korporates, Silaris also came for recruiting for different profiles.

The event started with the registration process where list of companies and its requirement was displayed for enabling students to identify their choice of company. Afterwards, floral welcome of delegates was done. After the felicitation, the delegates started their resilient recruitment process. A good number of selections were made on the same day by few companies while others shortlisted the students for conducting final round of interview at their own premises. In total, 38 students got selected and 5 students were shortlisted for final round.

The day was successful and the college received a positive feedback from both the candidates and the companies who participated in the fair.
