TITLE	Submission of Web Report for Industry Visit to Times of India , held on 04/09/2018
Resource Person/ Facoliterator	Mr. Rajesh Aggarwal
Date	-
Summary	<p>Industrial Visit to Times of India</p> <p style="text-align: right;">Date : September 04th 2018</p> <p style="text-align: center;">Time : 03.00 to 5.00 PM</p> <p style="text-align: right;">Industrial Visit to The Times of India</p> <p>India was for the students of Bba 1st Semester Students who are new to company culture and functioning. We reached the office premises at 03..00 am. And were warmly greeted by Mr. rajesh Aggarwal (Production Manager). This Visit Started with light refreshment after refreshments students visited the shop floor where they saw how The times of india actually prints their newspapers on a sheet. During the brefing. Mr. Rajesh Aggarwal (production Manager) Mr. Rajesh explained the complete process of how raw material of the paper is generally imported from korea.the raw material virgin not manufactured in india. Often they use recyvlable paper with four type of colouring tone. Further Mr. Rajesh had also stated that the aluminium sheet can only be use once after that local retailand printers take the sheet from them for further usage. During The Visit he showed the students how the text or image is printed on an akuminium sheet which passes through Scanning under CPT Machine after 3 to 4 times till the images are clear. these sheet are further placed and processed with four types of colour tones. Then they are processed though a Big roll of paper which is printed, cut and folded with the use of various equipments.</p>
