Summary	<p><i>"If you always give, you will always have."</i> Chinese Proverb</p> <p>We all know how great it feels to receive gifts. However, the joy of getting is short-lived. Our lives are richer when we share, and that great happiness and joy comes from helping others to better their lives, with this aim in mind a joy of giving month was organised by Social & Heritage Club .</p> <p>In this event further fundraising was organised during Annual Sport meet 2018. Under it different games were stalls were organised by the volunteers and like Tambola, Glass Pyramid, Pick the gems and Sum the calender.</p> <p>Apart from the fundraisng, the volunteers aslo raised cash and kind from their nears and dear ones. The items collected were notebooksreading books,stationery items, napkins, Soaps biscuits , juices, used clothes etc.</p> <p>Giving takes you out of yourself and allows you to expand beyond earthly limitations. True joy lies in the act of giving without an expectation of receiving something in return. Daan Utsav is a great platform where everyone's little contribution make a significant effect and brings a smile on the face of others.</p>
