Industrial Visit at Hindware for MBA

TITLE	Industrial Visit at Hindware for MBA
Date	Oct 11, 2019 - Oct 11, 2019
Summary	<p>RDIAS organized an industrial visit for the students of MBA III, to familiarize them with the process and functioning of a manufacturing plant.</p> <p>25 students were accompanied by two faculty members. The facilitator showed around the students and informed them about functioning of plant. The students were shown the process of procurement of raw materials to the production of actual product. The facilitator emphasized on the strict adherence to quality standards during the entire process. The students were shown a new and an ultra modern R&D facility, equipped with the latest technology to ensure quality and fast manufacturing process. Students were shown the basic raw material used for manufacturing of the sanitary wares and detailed production process.</p> <p>The visit helped the students to understand the practical implementation of management concepts related to production , quality control and supply chain management within a manufacturing plant. The overall visit was really a value adding learning experience both for students and the faculty members.</p>
