### Summary

Social and Heritage Club RDIAS organized Diwali celebrations for the members of RDIAS family. The purpose of organizing this event was to celebrate festivals with zeal and enthusiasm as these celebrations convey the message and a feeling of belongingness among all.

A joint activity with Media Management Cell was planned in advance wherein an Anti Cracker Campaign was run on Facebook page of RDIAS. A week long activity of sharing anti cracker templates were done so as to make all the stake holders realise the importance of preserving the environment along with celebration of the festival.

The event started with Director Sir sharing his Diwali greetings and wishes with all faculty and staff members of the Institute. This was followed by eating scrumptious refreshments arranged by the college. The entire family of RDIAS enjoyed the same and was of the view that such events leads to bringing togetherness and bonding both on professional and personal front.
