Sashakt, the HR Club, RDIAS, organized a team building activity on the theme of WIN OVER WORLD (WOW). The motive of this activity was to inculcate team spirit amongst the students and expand the horizon of creativity beyond their mind.

WOW was a team based activity of two members each in which students were assigned three different games in which they had to show their efforts to work in a team along with creative results.

The three different games were: Newspaper tower, Blind drawing game and Trust course game.

Dr. Sunil Kumar, Associate Professor, RDIAS, judged the event on the parameters of Creativity, Involvement of each member and Overall Presentation. Students tried to connect to the theme of the competition through their performance in games played.
