

Functioning of Equal Opportunity Cell

The Equal Opportunity Cell was set up by the Rukmini Devi Institute of Advance Studies to address the issues concerning SC, ST, OBC, Minorities and Persons with disabilities.

Vision

To create and sustain the environment in the Institute which promotes equal human value while respecting the distinct cultural identities.

Mission

The mission statement of Equal Opportunity Cell ensures the following:

- A barrier free access to all the buildings of Colleges, Libraries and Offices of the Institute.
- Non-discrimination on grounds of disability and minority status.
This certification determines whether they are entitled for the admission under the reservation quota meant for students with disabilities in institutions Compliance as per section 32 of Disability act 2016.

Specific activities provided by Equal opportunities Cell RDIAS:-

1. Organising expert lectures on awareness regarding Equal Opportunity Cell in RDIAS
2. Organising Remedial Classes, for improving the academic performance of students from deprived sections.
3. Providing help or assistance in Internal and end semester examination like writer, additional invigilator etc.
4. Counselling and training the deprived section of students to boost their morale, confidence, self-respect and inculcate values.
5. Publicity of Equal Opportunity Cell through website, notice board etc.
6. Remedial classes for the deprived students will be held throughout the semester, as and when required.
