

Faculty Development Programme

ON

“Outcome Based Education”

(A special Focus on NAAC & NBA Accreditation)

RDIAS is organising one-week E-FDP on “Outcome Based Education”. Here, focus will be given on OBE implementation in courses and some aspect of accreditation also. Academic practices are changing and now it becomes need of hour to focus of outcome-based education. The programme will be conducted in an interactive environment providing scope for discussions. Emphasis will be on a highly participative style of learning through lectures and groups discussion. This five-day program is designed for faculty members from management colleges who are the key personnel to understand and implement quality initiatives in their institutions. The institutions that are planning to apply for NBA accreditation will benefit enormously by attending this FDP.

FDP will focus on outcome based education, important aspect of SAR report, teaching learning practices at institute, PEOs, POs and PSOs formulation, taxonomy of learning, categories of knowledge, computation of CO and PO, various component of teaching etc.

The Objectives of the FDP:

After completion of the training programme the participants will be able to:

- Understand the relevance and application of outcome-based education
- To acquaint participants with the need for assessment and accreditation
- Understand the importance of Vision, Mission, PEOs, POs, PSOs and COs for outcome based education
- Able to compute CO and PO attainment.
- To acquaint participants how to prepare SAR, SSR and AQAR report.
- Able to understand the various documents required for NBA /NAAC accreditation.

WHO CAN PARTICIPATE

- Director, HODs, IQAC Convener and members, faculty members who are engaged in the implementation and management of quality system
