

Title: Mastering with Time Series and Panel Data

Date: June 7-11, 2021

Resource person: Dr. Anil Kumar Goyal, Professor, RDIAS, Delhi along with some eminent external resource persons.

About: This one-week faculty management development programme will aim at providing researchers, academicians and industry practitioners with an intuitive understanding of time series and panel data analysis. The objective of the FDP is to provide conceptual clarity and hands-on training to the participants in order to equip them with requisite knowledge and skills to draw meaningful insights from time series and panel datasets. The participants shall get to learn the theory as well as practical application of time series and multiple panel data estimators using relevant software.

Registration Start Date: May 1, 2020

Registration Last Date: June 6, 2021
