

Title : FDP on Innovative Teaching Strategies

Date : January 16, 2021

Resource person : Ms. Upasana Diwan, Assistant Professor, RDIAS, Delhi

About : Importance of the topic: This is a one-day intensive intellectual and action-based engagement for management faculty to improve and make them better management teachers. The programme focuses on new and innovative teaching approaches and methods. It includes lecture based learning, discussions, role plays, team exercises, management games, simulations, videos and direct faculty feedback. The FDP offers a tremendous learning opportunity to the participants and would help them gain the latest skills, strategies, and tools needed to conduct effective and result-oriented classroom sessions.
